President's Message – Eric Rockel

Zoning and Land Use Decisions Spark Controversies

Land use and zoning decisions at the local level prove to be more controversial than just about any decisions that elected officials make. The thought of borrowing hundreds of millions of dollars for schools, public works projects and other bond referendum questions creates hardly a whimper from the public at large. Decisions to change the police procedures and introduce new policing policies draw very few comments from the average citizen at the local level. The same goes for a change in educational policies for our school system at large. But if a County Council member changes the zoning of that parcel down the road, or proposes a planned unit development for a parcel at a nearby intersection, those decisions are sure to create a loud uproar.

Exhibit A for my argument is the proposal to build a large convenience store and gas station at the corner of York Road and Bosley Avenue in Towson. That proposal would require a planned unit development (PUD) designation because gas stations are not allowed by the underlying zoning of the parcel. Just as the previously unsuccessful PUD proposal for an apartment complex on Aylesbury Road created, this proposal in Towson is meeting with a lot of opposition from advocacy groups, such as the Green Towson Alliance, who have started a petition drive against the PUD.

In another part of the County, the Greene Tree Homeowners Association is suing Baltimore County over the quadrennial zoning process. At the heart of their complaint is that the County Code calls for the publication of a bill, including the changes in zoning, prior to the vote to adopt a bill. In reality, a citizen does not know whether a zoning change will take place for any property until the Council person issues their decision just prior to the vote. It remains to be seen whether this suit will be successful, but it does demonstrate the level of dissatisfaction that many citizens feels towards the rezoning process. In another example, one community association leader is suggesting to boycott certain political fundraisers by Council members who have crossed the line in their zoning decisions.

The final example that I will submit is Question K on the ballot for November 8th. That ballot question seeks to overturn Bill 53-15, which would have allowed a “regional outlet shopping center” in White Marsh, near I-95. The only problem with this referendum question is that the Council member for that area changed the zoning on this parcel in the recent CZMP process, thereby allowing the outlet center and making the outcome of this ballot question irrelevant.

It’s hard to tell whether any of these types of protests will result in a lasting change to how this County goes about its land use and zoning decisions. These examples are just the current crop of complaints about the process. There have been many more examples from the past, and there will probably be many more in the future. Is there a better way to go about making land use and zoning decisions? I am not sure, but I am open for suggestions.

GTCC General Meeting – Wednesday, November 9th, 2016

The GTCC will hold their 'Next Meeting' on **Wednesday, November 9th, 2016 at the Cockeyville Library Meeting Room**, with meetings *STILL* beginning **at 7:00 PM.**

Reminder: REMEMEBER:NO Meetings during our December or January due to our Holiday Break !

<p>GTCC</p> <p><i>The purpose of the GTCC is to coordinate a united council of Community Associations to enhance and protect the quality of residential life within the community.</i></p>		
<p><u>NOTICE !!!</u></p>	<p>CALENDAR 2016</p>	<p><u>NOTICE !!!</u></p>
<p>***** <u>Meeting Schedule</u> *****</p>		
<p>January - No Meeting</p>		<p>July - No Meeting</p>
<p>February 10, 2016</p>		<p>August - No Meeting</p>
<p>March 9, 2016</p>		<p>September 14, 2016</p>
<p>April 13, 2016</p>		<p>October 12, 2016</p>
<p>May 11, 2016</p>		<p>November 9, 2016</p>
<p>June 8, 2016</p>		<p>December - No Meeting</p>
<p><i>All Meetings are <u>NOW</u> Scheduled at the "Cockeyville Library" Meeting Room, on the DATES NOTED ABOVE.</i></p>		

Annual 2016 GTCC Membership Dues – Frank Regan

GTCC '2016' Membership dues of \$50 dollars for the year are due at this time. We had a great response from (50+) Associations contributing their Annual Membership dues payment last year! Dues notice reminders for 2016 will be mailed out in this month so if you don't receive one or if you need a copy, please don't hesitate to let us know. . **Please send your "2016 dues" payments to GTCC, 9b Ridgely Rd., Box 276, Timonium, Maryland 21093 if you have not done so already.** Thanks to all our contributing Associations for all their dedicated support for the ongoing work of the Greater Timonium Community Council!

Baltimore County Free Flu Shots:

Baltimore County Department of Health offers free flu vaccination clinics on November 9 and 21 in Towson Nov 04, 2016 4:26:00 PM EDT

Evening clinics to be held at Drumcastle Government Center In order to ensure that as many residents as possible have their annual flu vaccination, the Baltimore County Department of Health will offer two evening flu clinics from 3 to 7 p.m., Wednesday, November 9 and Monday, November 21 at the Drumcastle Government Center located at 6401 York Road, Baltimore, Maryland 21212.

Free flu shots (injectable only) will be available on a first-come, first-serve basis for anyone six months and older. No appointment is necessary.

For more information, call the Department of Health at 410-887-BCHD (2243).

Membership & Annual Dues Report – Frank Regan

The GTCC has always had a great representation from the many Associations that exist in our geographic area which encompasses about 25 perimeter miles. This area is roughly bound from Dulaney Valley Road & I-695 to Falls Road & I-695, then north on Falls Road to Shawn Road, then east over to York Road, then up Ashland / Papermill Roads to the Loch Raven Reservoir boundary then over to Old Bosley Road and then down Dulaney Valley Road to I-695.

Each year we have been fortunate to increase our participation with a growing number of Community Associations. We are pleased to report that the GTCC now has over 50+ active dues paying Associations within its umbrella that represents over 60,000+ residents within our thriving neighborhoods. Please find a list of participating Community Associations below:

Belmont Forest Condos	Falls Road Comm.	Monterey Imp.	Springlake Comm.
Brooking Court Condos	First Mays Chapel HO	Orchard Hills Comm.	Stapleton Court Garden Condos
Burncourt Condo	Fox. Chapel Comm.	Pine Valley / Valleywood	Stratford Comm.
Chapel Hill	Holly Hall Garden Condos	Pot Spring Comm	Tullamore Condos
Chapel Gate HO 1-2-3	Hunt Meadow Comm.	Ramsgate Comm.	Valley Crest Civic

The Librarian's Corner – Darcy Cahill

Usually, we also invite our Cockeysville Library Manager to provide us with an article for our newsletter in the form of 'The Librarian's Corner' on any issue(s) that she feels might be of interest to our membership. The following article this month is from Darcy.

November is NaNoWriMo, National Novel Writing Month! Our branch is hosting write-ins throughout the month. Talk with our librarians, or see our web page at bcpl.info, as well as nanowrimo.org, for more information.

Talk about your favorite books with other readers at Books, Coffee and Conversation on Wed., Nov. 16th at 11:30. The Cockeysville Book Club will discuss "House of Thieves" by Charles Belfoure on Monday, Nov. 28th at 7 PM. Get a jump start on December's book club by picking up a copy of Anna Quindlen's "Miller's Valley." We invite you to relax at our Creative Coloring for Adults program on Thurs., Nov. 17th at 7 PM before those crazy days of December begin!

Parents and their 13-17 year olds are invited to attend our "Be What You Want to Be" program. You will learn about a variety of career and skilled training options available through BCPS's Career and Technology Education Program. Information on how to prepare and apply for CTE programs and magnet schools will also be provided.

For our school age children, register for the innovative Electric Art Lab program, to be hosted by FutureMakers on Tues., Nov. 15th at 7 PM! We will also offer International Games Day on Saturday, November 19th between 10 and 4. The next Pajama Story Time will be Thur., Nov. 17th at 7 PM. Our next round of LEGO Fun will be Saturday, Nov. 26th at 2 PM. For more information about our programs, stop by the Information Desk, or visit bcpl.info.

Thank you so much for your tremendous support! We are truly thankful that we have an opportunity to serve a community that values its library so much. All of us at the Cockeysville Branch wish you and yours a happy, healthy Thanksgiving, and a joyful holiday season! We look forward to keeping you and yours stocked with terrific books, movies and music throughout whatever Old Man Winter throws at us this year! Cheers!

Stop by the Information Desk to schedule your one-on-one My Librarian appointment!

Enjoy a healthy, happy holidays,we hope to see you often!

GTCC Website - <http://www.gtccinc.org> - Frank Regan

The Greater Timonium Community Council maintains an active website to provide everyone information related to our organization and many activities of Community interest. Our main website can be found at:

GTCCINC.ORG instead of **GTCCINC.COM**

This & That – Regular and New Helpful Items – Frank Regan

Balto.Co. Executive Updates - The Office of the County Executive periodically has information to provide to community leaders. A number of community leaders have expressed a desire to receive this information in an email format. If you would like to receive these emails, please register using the following website:

<http://www.baltimorecountymd.gov/Subscribe>

Balto.Co. E-Community Newsletter - Baltimore County has unveiled a new County service, the E-Community Newsletter. The county will publish seven monthly letters, one for each County Council district, detailing planning, zoning, development and public works decisions and their impact on communities. The first issue will be published in mid-August. Residents can register for the newsletter at:

<http://www.baltimorecountymd.gov/Subscribe/updates/index.html>

GTCC Trivia – Did You Know?

See if you know the answers to these few trivia factoids:

1. What Baltimore County retirement community traces its origins to the efforts of a famous flag maker?
2. What village in Baltimore County was settled by immigrants evicted from Ireland?
3. Where in the County is a street named for a home-run hitting catcher for the Orioles?

Please don't hesitate to send any of our Board members a trivia fact and we will try to include them in our next Newsletter.

1. Mary Pickersgill (1776-1857) 150 years before women entered the business world, Mary Pickersgill was a successful businesswoman whose flag-making business was chosen to sew a flag to fly over Fort McHenry during the 1814 Battle of Baltimore. She completed hand sewing this 30x42 ft flag in just six weeks. From 1828-1851, Mrs. Pickersgill was President of the Impartial Female Humane Society that helped impoverished families with school vouchers for children and employment for "deserted" wives. Under her astute direction, the Society erected an aged women's home in Baltimore in 1850. In 1959 this institution moved to its present location in Towson and is known as the Pickersgill Retirement Community.
2. Texas, near Cockeysville. In the 1850s, the Padian family arrived in the area. Richard Padian was one of fourteen defendants in a legal action against the tenants of Ballykilcline for non-payment of rent. He was the ringleader in the dispute. Richard, Mary and their four children were put on a ship in 1847. Other evicted families were sent with them and also settled in the area.
3. In Timonium. Triandos Drive was named for Gus Triandos who lived in the area for 4-5 years while playing for the Orioles (1954-1962). It is off East Timonium Road.

The Greater Timonium Community Council

The Next GTCC General Meeting is scheduled for Wednesday, November 9, 2016 at the Cockeysville Library at 7:00 pm

CURRENT ISSUES

Hunt Valley Center: Greenberg/Gibbons, owners of the town center, have proposed a 332 unit residential development near the site of the former Walmart. In May the owners submitted a variance request to the Department of Environmental Protection and Sustainability related to forest conservation requirements for the site. Additionally the owners announced that they will partner with Avalon Bay, an Arlington, Va. Developer, to build the residential units, which are well underway. (GTCC)

Former Chestnut Ridge Golf Club: The owner of the property, CR Golf, LLC, has requested to construct 8 homes on the site, one less than the maximum allowed under the current zoning. Community Input Meetings were held in October, and the next step will be for the consulting engineer to modify the plans to account for the County's review comments. A development plan hearing has yet to be scheduled. The Falls Road Community Association remains very concerned about this proposal and its impact on the environment. In May, the Administrative Law Judge ruled in favor of the 8 lot subdivision. Additionally, October 2014 the County Board of Appeals ruled that the County Council was within its right to downzone the property so that only 8 dwellings could be constructed. CR Golf, LLC then brought a suit against the County Council over the loss of density compared to the prior zoning. Ultimately, the County Council reversed course and will allow a total of 40 homes on the site in order to settle the suit brought by the owner. Many residents are naturally discouraged by this reversal on the part of the County Council. (FRCA & GTCC)

Church of the Nativity, Sanctuary Expansion: The expansion would feature a new 1,000 seat sanctuary to be added to the southwest side of the existing building. Architectural plans have been prepared, and construction is underway. (GTCC & adjoining communities)

2223 York Road: A proposal to demolish the existing Blair & Sons building and replace it with a AAA Car Care Center have been submitted to Baltimore County Government. The County's Administrative Law Judge has approved the proposal, and construction has commenced on the new use.

10650 York Road: Bill Kidd proposes to construct a Volvo dealership at this site, the Cockeysville Car Wash. Residents have opposed this development at the County Board of Appeals, and residents have also decried legislation authored by the former councilman that created the possibility of the dealership in the first place. Should this project be given the green light, it would mark the first current car dealership north of Warren Road on York Road. The Circuit Court of Baltimore County ruled in favor of the dealership in early May. This property was rezoned as part of the 2016 CZMP vote.

9805 York Road: The existing structures on this property will be demolished and a new retail building will be constructed. Awaiting an Administrative Law Judge ruling regarding certain variances for the project.

CZMP, 2016: The County Council voted on all requested zoning changes on August 30, 2016. The GTCC website will post the outcome of all requested changes, which are too numerous to be listed in this overview.

Grace Fellowship Church: They propose to construct a 1200 seat sanctuary on an unimproved parcel located on West Seminary Avenue, near Falls Road. A community input meeting is scheduled for September 19 at 7:00 PM at Sheppard Pratt's convention center, 6001 North Charles Street. The CIM demonstrated strong community opposition to the project, and the church has one year in which to provide additional information, including a traffic study, in order to move the project on to a Hearing Officer's Hearing, which would rule on the acceptability of the proposal.

Timonium Fairgrounds: Local developer, Pinkard Properties, has proposed to install artificial turf playing fields on the infield of the race course. These playing fields would be leased to recreation leagues for soccer, football, lacrosse and field hockey activities, including games and practices. Pinkard Properties has not reached a lease agreement with the Maryland State Fairgrounds at this time, but Pinkard is testing the reaction of local communities to this proposal.

Medical Cannabis Facility: Curio Wellness, a company that received one of the State licenses to grow and process medical cannabis, announced that it will locate a growing facility at 5 Aylesbury Road, the site of a former Pall Filtration plant. County zoning regulations allow for such growth and processing facilities to be located on land zoned for light manufacturing, such as this site. In September, several principals of Curio Wellness met with members of the adjacent residential communities. Among the topics discussed at the meeting were security, the operational aspects of the business and the timeline for starting. Expect this facility to be operational towards the end of 2017. At this time Curio Wellness does not plan to include a dispensary that would sell its product to patients, and, in fact the State has not issued licenses for dispensaries at this time. However, Curio Wellness indicated that it may pursue a dispensary license in the future. State law allows two dispensaries within each legislative district.

ON-GOING ISSUES

Texas Station – Jacoby Properties sold property to Peter Angelos. Zoning changed in 2004 Comprehensive Zoning Cycle from ML-IM to BM (Business Major). GTCC continues to monitor this property. (E. Rockel, F. Regan, GTCC Executive Committee.)

Galloway Avenue and Texas Station: Recently the Development Review Committee postponed consideration of a decision to allow two-way traffic at the entrance from Galloway Avenue into Texas Station. Both GTCC and the County Home Park association questioned two-way traffic in light of the original development plan restrictions on the site. Before any change takes place, an assessment of the York Road and Galloway Avenue intersection should take place. (E. Rockel)

The Preserve at FallowFields: This 16+ acre parcel next to the York Manor subdivision, near Margate Road, currently contains two dwellings and a developer proposes fourteen other single family homes in the \$750K to \$1 million range. A community input meeting was held in August, and before the proposal can move forward, a development hearing will need to take place. At that hearing in late June, the Administrative Law Judge approved the development. (GTCC)

Aylesbury Road: A revised development proposal has been presented by a new development team, Fore Development Company, a successor to Solstice Partners.. Bluestone restaurant, however, will remain on the site. The major change from past schematics is the emphasis on mid-rise, high end apartments for the site. The developer proposes a total of 727 units, built in two phases. A basic site plan has been developed, but the developer will need to follow a Planned Unit Development process, which will require further plan details to be submitted. Former County Councilman Todd Huff chose not to allow a vote by the Council that would have allowed the project to move forward in the development process in November 2014. The owners of the property have indicated they want to undergo a Planned Unit Development on the property, but they are uncertain as to the proposed uses and layout for the property at this time. (Northampton, Yorkshire/Haverford and Lutherville Community Assns.)

COMPLETED ISSUES

1131 McCormick Road: The owner has received a variance to construct signage larger than permitted under zoning regulations. In conjunction with the Sparks/Glencoe Association & People's Counsel, GTCC opposed the variance. The County Board of Appeals, in its public deliberation, gave indication that the variance would be denied, but in its written decision, the Board of Appeals upheld the variance. The People's Counsel has asked for a reconsideration of the ruling in light of the public deliberation comments. This case ultimately went to the Circuit Court, where the Judge ruled that the signage variance was not appropriate, and the tenant will have to remove certain signage on the building...(E. Rockel)

10 Aylesbury Road: A special hearing recently granted permission to open a commercial recreational facility in the space formerly occupied by LAX World. The operator informs that this facility will exclusively serve children age 13 & under, accompanied by an adult, for recreational activities and children's parties. Look for the business to open later this summer. (E. Rockel)

Jessup Property – The County Landmarks Preservation Commission has approved placing the Jessup House on the landmarks list. The Baltimore County Council would have to also approve the inclusion. As of August, the developer's attorney indicated his client was reviewing how this would impact the proposal. Regardless of the Landmark's issue, the developer has not submitted a development plan for County review. Longford North was to hold a fundraiser in early November to help pay for its legal expenses. The developer has submitted a revised development plan in December. The Hearing Officer's Hearing was held in April with Longford North, Pine Valley/Valleywood, Huntridge and GTCC offering comments on the plan. A consistent remark from all was that the number of units, 103, needed to be reduced. The hearing officer approved the 103 unit plan. The Longford North Community reached a compromise with the developer and has dropped any plan to appeal the development. Over the Summer of 2011 the developer started the rough grading and utility construction for the subdivision. (E.Rockel, Longford North)

Hampton Manor: This property is located on the east side of Scott Adam Road and is an existing multifamily residential development that will be adding more units. Concept Plan Conference scheduled for 11/6/2006 at 10:00 am in Room 123 County Office Building. Community Input Meeting will be scheduled thereafter. The community input meeting demonstrated several objections to the plan. The most common objection was a proposal to connect Southfork Road with the existing roads in the apartment complex. Residents on Southfork are concerned about additional "cut thru" traffic. A compromise may have been reached at the start of the Hearing Officer's Hearing. Both sides will examine making the Southfork connection a gated entrance. At the Hearing Officer's Hearing, Baltimore County agreed to allow Southfork Road to be a gated entrance. (E.Rockel)

302 North Avenue, Lutherville: The property owner was given a side yard variance in order to subdivide this parcel and construct a second house on a newly created second lot. The creation of the second lot will allow the owner to afford to rehabilitate the existing Victorian dwelling on the initial lot. (E. Rockel)

1928 Greenspring Drive: Plans to create a commercial recreational facility within the existing building to host birthday parties, corporate outings and other events. The recreational uses will include laser tag, cosmic miniature golf and other high tech gaming activities. (E. Rockel)

Padonia Swim Club: Grace Fellowship Church announced plans to purchase the 29 + acre site of the swim club. Many nearby residents have expressed concerns that the church plans to build a 2,500 seat sanctuary on the site. GTCC members have voted to disapprove the site for the church's intended use. In November, the Church announced that it would not build on the site. (GTCC Executive Committee & Community Organizers)

1904 Pot Spring Road: The owner has appealed a prior Zoning Commissioner's decision, with restrictions, to allow a professional office in the dwelling at this location. The adjoining community associations wish to minimize any nonresidential intrusion into the residential community. The owner ultimately dropped the appeal, and only residents of the property will be able to work in the home office.(E. Rockel, Valley Crest C.A., Dulaney Forest C.A. & Valley Garth CA)

Anderson Automotive: Dealership wishes to reconfigure its site layout by establishing the Honda dealership on the current GMC site and moving the GMC trade to the Hummer site. The site at the corner of York & Halesworth would be sold for another usage. At a Hearing on January 15th, Deputy Zoning Commissioner Thomas Bostwick approved the amendment of the previous PUD plan (E.Rockel, J. Rogers & People's Counsel)

1734 York Road (Ridgely Plaza Shopping Center): Neighboring businesses report that Mercy Medical will occupy the vacant space previously used by Giant Foods. A zoning hearing was held on March 3, 2011 to allow Mercy Medical to increase the size of the building by approximately 3,000 sq. feet. As of April 30th, this medical facility is opened. (E. Rockel)

Potin Stil Restaurant Zoning Variance Appeal – Zoning Case 02-165-A, 2323 York Rd, Variances to Parking Regulations as to number required, island sizes, aisle space dimensions. Zoning Commissioner granted all variances. GTCC filed an appeal with the Board of Appeals. Appeals Board reversed the Zoning Commissioner's order by a 2-1 vote. Petitioner made request for Judicial Review to Baltimore County Circuit Court. GTCC and Peoples Counsel of BC filed in opposition to request. Circuit Court Judge agreed with the Board of Appeals decision reversing the variances granted. Director of Permits and Development and Code Enforcement has not exercised the Circuit Court's order of July 5, 2005. Request, if granted by the County, for any future meeting to be held, to participate in settlement of this case. Engineer for the owners has requested a refinement to the development plan to correct this violation. Lou Miller attended the DRC meeting, and Baltimore County did not approve the DRC request. The matter is rightfully considered a zoning violation and not a development refinement. Don Rascoe, Deputy Director of Permits & Development Management recently reported that the owner has corrected the parking violations and that the owner has now complied with the Board of Appeals order to correct the problem (E. Rockel, and GTCC Executive Committee)

Timonium Fairgrounds: Assistant General Manager Andy Cashman informed us that a multi-purpose maintenance building will be constructed on the north end of the Fairgrounds in the coming months. This maintenance building is one story, and it backs up to the Turf Inn Office building. Cashman also informed us that they plan to replace the existing "event" sign due to its functional obsolescence.

YorkRidge Shopping Center, York & Ridgely Roads: Owners of the property seek a variance from the parking requirements in order to add a free-standing pad site at the shopping center. The pad site associated with this variance is estimated to be two to three years away from any development. Additionally, long range plans call for re-development of the service station site at the corner of York and Ridgely. The variance hearing on the parking is scheduled for mid November. The owners received the parking variance, but no immediate plans are in store for building the pad site. (E. Rockel)

Hunt Valley Crossing, 11119 McCormick Road: This existing Verizon-owned warehouse property is being proposed to be redeveloped as a 262 unit apartment complex under the Planned Unit Development guidelines. The project's architectural design attractively fits into the Hunt Valley Business Community landscape. A community input meeting to learn about the project produced no objections to the project from nearby residential communities. However, nearby businesses did raise some objections. In response to the concerns expressed by nearby manufacturing businesses, Councilman Todd Huff has reached a compromise wherein the developers of the parcel will not proceed with an apartment use for the property.(GTCC Executive Committee)

York Road, Timonium Condo Project: Recently land owner A&A Global Industries notified GTCC that the condo project proposed by Keelty & Company will not proceed. A & A Global is examining other possible uses for the site, none of which at this time would include a high rise residential development. As of February 2012, the owner notified that he is attempting to lease the remaining building for commercial uses, and the first tenant will be a ceramic tile store. The owner reported that a restaurant has signed a lease for the pad site on the property, and construction on that restaurant is on going..(E. Rockel & GTCC Executive Committee)

Michael's Café & Grill: The owners received zoning approval to enlarge the outdoor patio area on the southwest and south sides of the existing building. A stone-clad wall, approximately five foot high, will surround the patio seating area. (E. Rockel & Yorkshire/Haverford C.A.)

Former Sterling Chemical Building, West Timonium Road: This property is now under the control of St. John Properties, who plan to convert the former warehouse into retail shops and a restaurant, consistent with its manufacturing zoning. St. John Properties recently underwent a zoning hearing in which they petitioned to seek relief from the parking requirements and to reduce the side yard setbacks. The Administrative Law Judge has ruled to allow the reductions to parking and the reductions to sideyard setbacks.. (E.Rockel)

Sonic Drive In: The abandoned fast food building at York and Belfast Roads is projected to become a Sonic Drive In. Before the conversion can take place, the owner needs to reapply for the use of commercial parking in a residential zone at the rear of the property. At the zoning hearing required before the redevelopment could move forward, the Administrative Law Judge denied the zoning relief requested by the Sonic operator. A hearing for reconsideration of that denial is scheduled for April 8, 2013. At the reconsideration hearing, the Judge approved the zoning relief after the dumpster and drive thru line were relocated solely on the commercially zoned part of the property. Nearby residents on Belfast Road have appealed of the ruling to the Board of Appeals, but they were unsuccessful. The site has since been rebuilt and the Sonic has experienced early success. (GTCC and Yorkshire/Haverford C.A.)

Verizon Wireless Cell Tower: The Board of Directors of the Dulaney Swim Club have decided not to engage in a lease for a cell tower on East Ridgely Road. All adjacent community associations were against the cell tower at that location. Everyone involved is particularly appreciative of the efforts put forth by Lavina Velasco and Casey O'Brien. (GTCC)

Comprehensive Zoning Map Process, 2012: Go to the GTCC website for a full list of properties requesting to be rezoned. As of the end of the open filing period, there was one more property requesting to be rezoned compared with a similar point in 2008. The County Council vote occurred too late to be included in this newsletter. Check back at the GTCC website to see the outcomes

23 West Aylesbury Road: The owner of the former American Lubrication Equipment building, just south of the Shoprite food store, has requested a special hearing to allow for the property to be used as an indoor trampoline park. This type of use is permitted in the property's current zoning designation, pending approval thru the special hearing. The owner received the special hearing approval.

New PAL Center/Community Center: Baltimore County government, in conjunction with the Baltimore County Public Schools, proposes to construct a new center, containing over 14,000 square feet, on the grounds of the Padonia International Elementary School. The building will contain meeting rooms, a gym/auditorium and other facilities. As a multi-purpose facility, the gym/auditorium will be used by the elementary school as well as the community during non-school hours. Construction has been completed and grand opening ceremonies taken place.

Pot Spring Road, South of Old Bosley Road: This ten acre parcel was originally proposed to contain four, 4-story condominium buildings housing a total of 64 units. The adjacent community objected to this planned unit development, and Councilman Huff refused to move the project forward as a PUD. A new developer submitted plans to build 13 single family dwellings for the site. On May 6, 2013 the Administrative Law Judge approved the single family plan, featuring homes that will cost in the \$600,000 range . (E.Rockel, Dulaney Gate HOA, Springlake HOA, Timberline Park HOA)

WaWa Convenience Store, York Road at Halesworth: This site, formerly part of the Anderson Automotive PUD, was the subject of a hearing to amend the previously approved planned unit development. The Monterey Community Association and GTCC supported this amendment, however, several other nearby owners opposed the plan. The hearing has been continued to provide for more testimony. The Administrative Law Judge approved this use for a convenience store, but opponents have taken this case to the Board of Appeals. The Board of Appeals has ruled in favor of the plan, and the appellants have taken the case to the Court of Special Appeals. The Court of Special Appeals has ruled in favor of Anderson Automotive, which allowed the project to move forward . It is currently operational (GTCC and Monterey C.A.)

2312 York Road, Enterprise Rental Used Cars: The existing used car lot will be converted to a used car lot run by Enterprise car rentals. The layout of the site will generally stay the same, but a new building and new signage will be constructed.

Timonium Fairgrounds: Both the GTCC and adjoining neighborhood associations hope that the next Councilman will rectify the rezoning error in which 60 acres of this property were zoned for commercial usage during the Comprehensive Rezoning Process of 2008. During the open filing period for the 2012 CZMP, the GTCC requested that these 60 acres be returned to the prior zoning, MR-IM. Councilman Huff submitted legislation that creates a Mercantile Overlay District that will limit video gaming at the Fairgrounds, but he does not plan to change the zoning as requested by the GTCC.

Spencer's Crossing, West Timonium Road: This housing development, just west of the I-83 interchange, had originally been proposed to be a large day care center. Through negotiations with the developer and an offer to support increased housing density on the site, a residential housing development became approved in lieu of the day care facility. One unit was completed, as well as a model home, and several units are partially completed. Recently, it was learned that the property has gone up for foreclosure, and a public auction took place on March 9. The lender failed to sell the property at auction. As of October, 2012, the developer plans to add a noise wall to mitigate the sounds of I-83.(E. Rockel and PVVW Community Assoc.)

Dulaney Valley Memorial Gardens: Plans have been presented to build a pet crematorium, which is an accessory to the existing pet cemetery. An Administrative Law Judge approved this accessory use, and the owners can move forward. (Springlake C.A.)

Timonium Fairgrounds: In conjunction with the Maryland Jockey Club, the Fairgrounds has started satellite simulcasting in the Grandstand on the property. GTCC has entered into agreements with the Jockey Club and Fairgrounds concerning future activities on the property. The agreement with the Fairgrounds prohibits it from pursuing a casino operation on the site in the future. The agreement with the Jockey Club places restrictions on the hours of operation, the future expansion of the OTB facility, the pursuit of a casino operation and other matters. (GTCC & Stratford C.A.)

Giant Food Store: Previously the Giant Food Store, across from the Fairgrounds, had proposed to add gasoline service as part of their operation, but an actual development plan had not been submitted. A recent conversation with a representative from Giant Foods indicates the company will not move forward with the gasoline service plan. Recently, an attorney for the shopping center indicated that a new pad site would be developed near the entrance at York Road, in the parking lot area. A Starbucks is one of the projected tenants for this pad site.
